

BROOMALL'S LAKE COUNTRY CLUB
P.O. Box 36 • Glen Mills, PA 19342

Dear Members,

November, 2020

We would like to extend our heartfelt gratitude for your support this past season. Seeing those of you who decided to spend your summer with us enjoy the pool and a short escape from reality was the ultimate payoff to the planning and preparing that went into the safe opening of our beloved pool. We can't thank you enough for sticking with us and trusting us to provide an environment for all to enjoy. We must also send our unconditional thanks to those families that, although they chose not to attend this summer, supported us through the payment of a maintenance fee. You helped keep our pool open for another summer. None of this could have been accomplished without all of you.

With that said, the Board feels it is important to let you know of our financial situation. Membership dues are our only source of income and the only thing that allows us to pay the bills and keep our pool running. Without the added income that we used to get from renting out the clubhouse our facility barely has the funds to pay off our yearly expenses let alone perform capital improvements to the club. We are, at present, looking into options to raise money for the club and ensure that we remain open for years to come, however at this moment our ability to do that is in your hands. You will notice on the invoice you receive with this letter that we have decided to, once again, not raise membership fees. Those of you who chose to be full members of the pool last summer, paid the \$300 maintenance fee, or chose to take a sabbatical by the cutoff date printed in the invoice will be charged the same amount you have been in previous summers. Members who did not opt to be full time members or take a sabbatical, and did not pay the \$300 maintenance fee will see that it has been added onto your invoice for the 2021 season and must be paid in order to keep your membership in good standing with the club. Finally, all guest passes purchased for the 2020 season will be honored during the 2021 season.

As we look ahead to the summer of 2021, we do so with the hope that some kind of normalcy will soon return to our lives. No matter what, we are confident in our ability to face whatever obstacles should arise and are dedicated to providing a place where memories and friendships are made that will last a lifetime. We hope that you will all join us. Stay safe and we will see you at the pool.

Sincerely,
Broomall's Lake Country Club Board of Directors
